1 Carefully cut out the head with scissors.

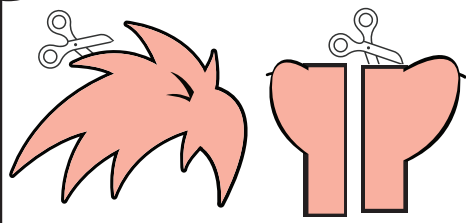

2 Fold and crease along the dotted lines.

3 Apply glue to the glue strips.

4 Fold and press the flaps onto the glue strip to form the head box.

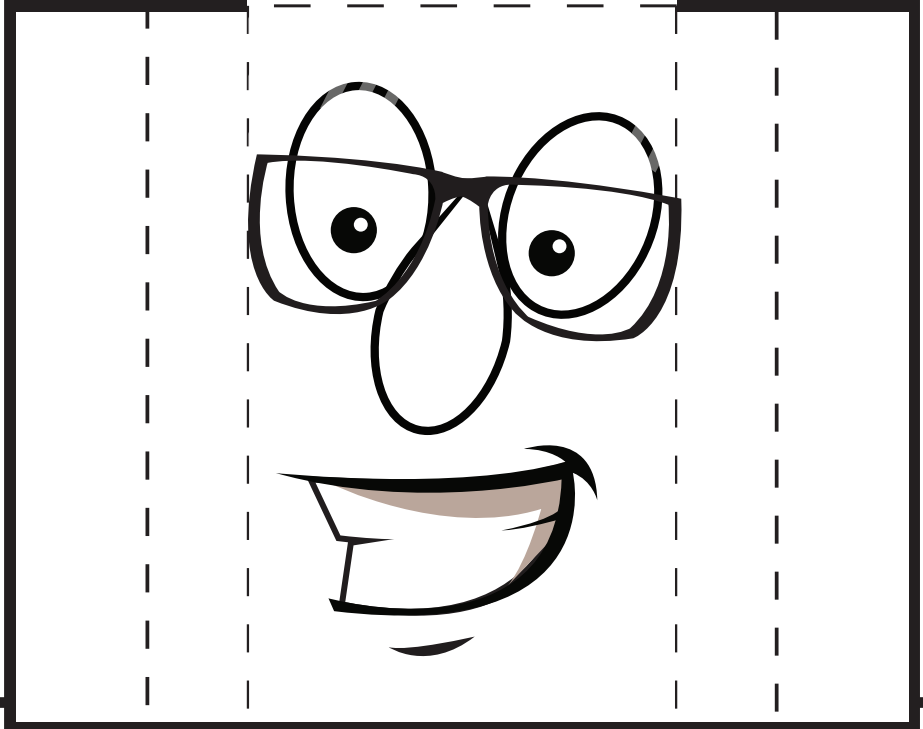

5 Carefully cut out the hair and ears with scissors.

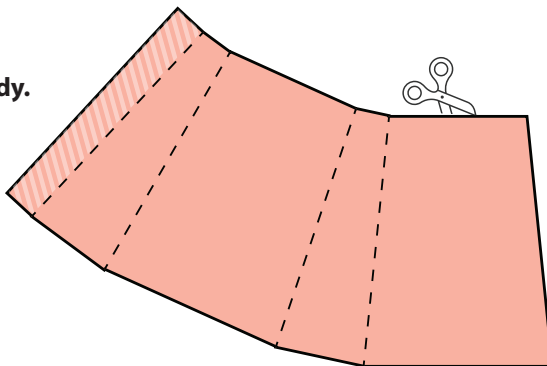

6 Apply glue to the glue strip on ears and back side of hair.

7 Press the hair on the front of the head box and the ears on the back.

8

Carefully cut out the body.

9

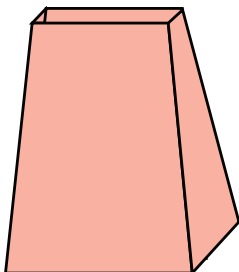

Fold and crease along the dotted lines.

10

Apply glue to the glue strip.

11

Fold and press the glue strip onto the inside of the body box.

12

Place the head on the body, slide shield on hand and have fun with your new character!
