1

Carefully cut out the head with scissors.

2

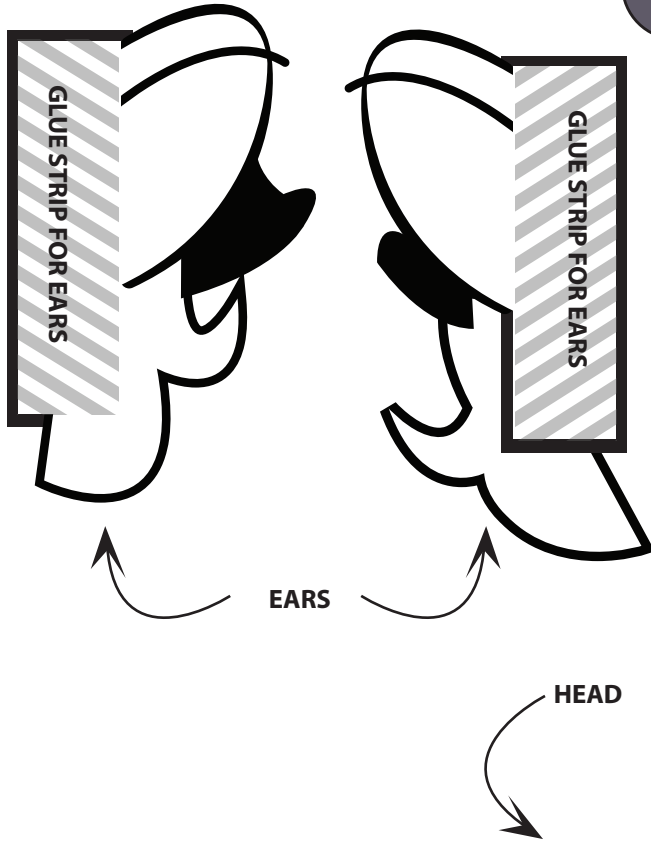

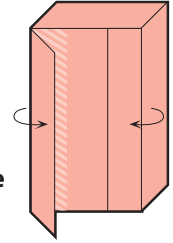

Fold and crease along the dotted lines.

3

Apply glue to the glue strips.

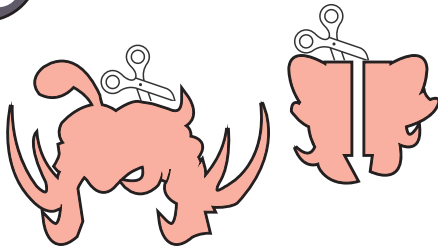

4

Fold and press the flaps onto the glue strip to form the head box.

5

Carefully cut out the front hair and ears with scissors.

6

Apply glue to the glue strip on ears and front of the face box.

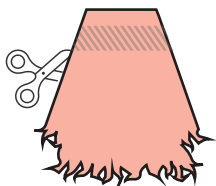

7

Press the front hair on the front of the head box and the ears on the back (color to front).

8

Carefully cut out the cape.

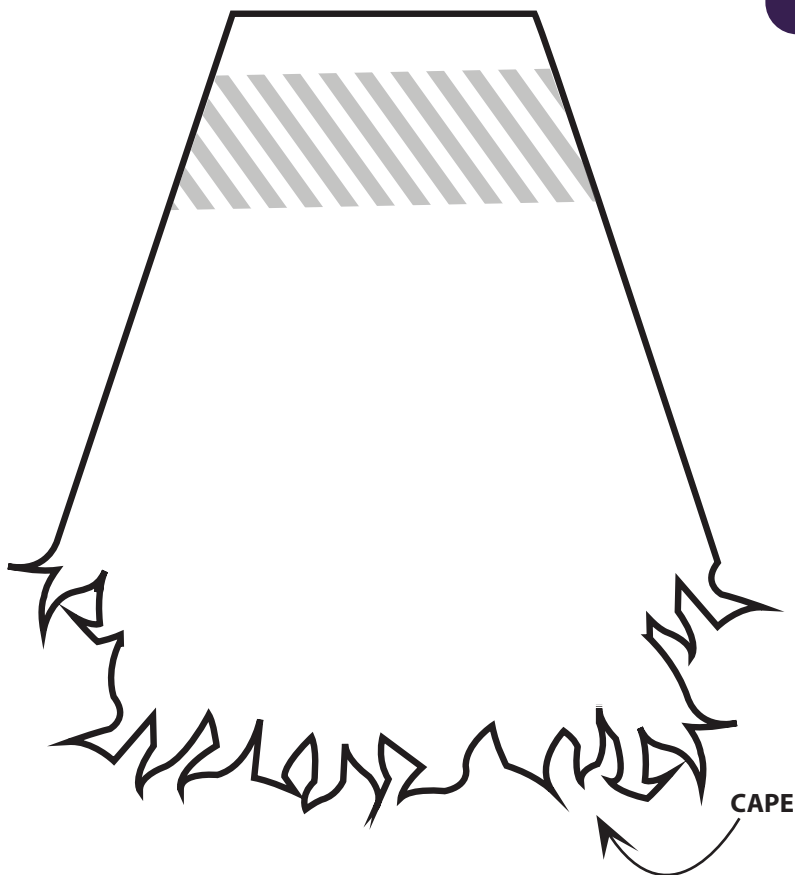

9

Apply glue to the glue strips on the cape and back of the head box.

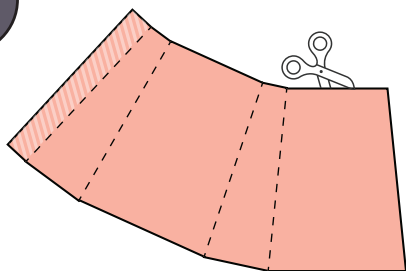

10

Press the cape onto the back of the face box (color forward).

11

Carefully cut out the body.

12

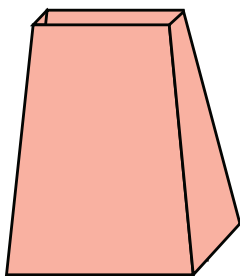

Fold and crease along the dotted lines.

13

Apply glue to the glue strip.

14

Fold and press the glue strip onto the inside of the body box.

15

Place the head on the body and have fun with your new character!
