1

Carefully cut out the head with scissors.

2

Fold and crease along the dotted lines.

3

Apply glue to the glue strips.

4

Fold and press the flaps onto the glue strip to form the head box.

5

Carefully cut out the hair and ears with scissors.

6

Apply glue to the glue strip on ears and back side of hair.

7

Press the hair on the front of the head box and the ears on the back.

8

Carefully cut out the helmet.

9

Apply glue to the back of the helmet.

10

Press the helmet on the face box.

11

Carefully cut out the cape and arms.

12

Apply glue to the glue strip on the cape and press the arms into place.

13

Apply glue to the glue strip on the head box and cape and press the cape and arms into place (color toward front).

14

Carefully cut out the shield and shield handle.

15

Apply glue to the glue strips and press the handle on the back of the shield.

16

Carefully cut out the body.

17

Fold and crease along the dotted lines.

18

Apply glue to the glue strip.

19

Fold and press the glue strip onto the inside of the body box.

20

Place the head on the body, side shield on a hand and have fun with your new character!
